
The TRAIL

Official Newsletter of the Miniwanca Younger Boys and Pre-Senior Camps

THE AMERICAN YOUTH FOUNDATION, 3930 Lindell Boulevard, St. Louis 8, Mo.

November 1947

"Enter into his gates with Thanksgiving,
And into his courts with praise;
Give thanks unto him, and bless his name."
PSALMS 100:4

THE ORIGINAL PURPOSE OF THANKSGIVING DAY was to give thanks for God's protection and bounty which had accompanied the Pilgrims through trying and challenging times. There is not a Miniwanca Founder who reads this statement who has not had many evidences of God's protection and bounty - even those of you who are still in your teens. So let us think about these blessings and give thanks as did our pioneer forefathers.

As we think back to our days on the sand-dunes of Miniwanca last summer, I'm sure each of us is thankful for the fun we had; for the new friends we made; for new skills we developed in athletics, aquatics, boating, and handicraft; and for many and all things we learned from each other. You know there are a lot of things a boy gets out of camp whether he likes it or not - and now that we're home perhaps it's a good time to think about them, and thank our parents for the opportunity we had in camp last summer.

We learned to love the beauty of the outdoors; we made better use of our leisure time; we learned the necessity and value of cooperating with our fellow campers; we found out we can get along without our parents for a few weeks; we learned to admire the real leaders on the YB Staff. Of course, there are a lot of things a fellow takes home with him that are hard to capture in words . . . . a campfire on the beach in the moonlight.... Chapel Dune on a Sunday morning....songs of fellowship....the quiet words of a tent leader or a fellow camper....the nearness of the stars and of the One who created them.

All of us in the Founder Office send our greetings and hope that each one of us will express our Thanks-giving by our Thanks-living.

- GUS

J O E S A Y S - - (Special last minute message from our friend Joe Whitwam)

Hello everybody! How are you YB boys making out this Fall? I wish I could see some of you in action, taking that ball down the field and across the goal line for the glory of your school.

I hope every one of you is right in there pitching (to switch to baseball). Whether you are on the team or sitting in the bleachers or on the side line, remember there is a place for every man and it's up to you to find your place. If you can't play - go out and root for the team - carry water - sell hot-dogs - do something - but don't sit around moping and drying up because you have nothing to do.

Miniwanca, among other things, has taught us to live busily and happily. Keep up the good work. Don't let down. Live up to your best - the Miniwanca way! Make people admire you for the way you do things - at home, in school, in church and in your community. You may not be a star performer on the football field or on the basket-ball floor, but man o man what a star you can be in the simple business of living four-foldly, everyday.

Go to it camp pal and here's a date to see you again next summer....on the sand-dunes of Miniwanca.

Yours for top performance

Joe

Joe Whitwam, Director YB Camp

HERE WE GO . . . OVER THE TRAIL . . .

that takes us back to Miniwanca for a few minutes. What a swell time we had with those one hundred sixty other fellows and forty leaders from nineteen states this past summer on those glorious sand dunes beside Lake Michigan.

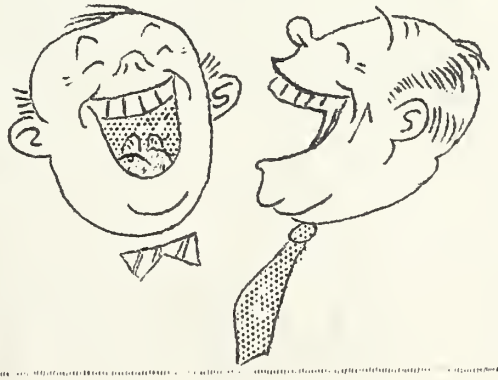
Do you still have your copies of the "DUNES DISPATCH"????? I'm reading over mine right now, and what happy memories keep popping up in my mind! What a night that was when we held the 10th Annual MINIWANCA BOXING FESTIVAL in the big Council Circle....what fun the "Darers" had exploring and suggesting the name "Darer Dune"....and can you remember who won the Camper-Leader softball games on the 4th of July?....and the thriller, continuous stories at Friendly Council in the Four-Way Lodge every Sunday night....and remember those delicious candied apples Ruth Steiner and her helpers had for us at the close of a big day at the County Fair....and what performances were turned in at both the Aquatic and Athletic meets by members of every tribe....the surprise nights doings which were both fearful and wonderful....recall the Leaders talks at Vespers each evening....the craziness of Backwards Day....the seven mile hike to Little Point Sable, with flap-jacks 'n everything....the beautiful candlelight service held on the ball-diamond....the super-duper Leaders' Frolic in the Assembly....and above all the Closing Banquet and Recognitions Service - and so we could go on and on BUT

THE REAL PURPOSE OF THIS EDITION OF THE "TRAIL"

is to send you the complete roster of the 1947 Younger Boys Camp so that you may have a personal copy to keep, and so you'll know the address of your buddies when you want to write them this winter. How about a letter tonight?...or at Thanksgiving time?...or a Christmas card for sure?!! So better hold on to this list and keep alive the friendships you made with boys from many parts of our great country. The same two hundred boys and leaders who were in the 1947 camp will never be together again as a unit - but you never can tell when you will meet a Miniwanca man somewhere - perhaps in the Older Boys Camp some day!

BEFORE I FORGET IT

if you have any extra copies of some unusually good pictures which you took at camp last summer, we would appreciate it very much if you would send us one for our official camp photo album. Some of the best pictures taken each summer, are those which campers and leaders get "on the spot". Thank you very much for helping us get a good collection of Camp Miniwanca pictures. By the way if you would like to use the colored YB movies to promote in your town, write us about it.



The next announcement concerns the dates for the 1948 camps at Miniwanca. HERE THEY ARE:

YOUNGER BOYS	June 23	to	July 28
YOUNGER GIRLS	June 24	to	July 29
OLDER GIRLS.	August 2	to	August 15
OLDER BOYS	August 16	-	August 29
COLLEGE CONFERENCE . . .	August 30	-	September 5

"Let's make it a date - in '48"

Your parents have all received a letter about signing you up for next summer, and we're hoping your registration card will be in our office pronto, so you don't have to go on the "Waiting List" and not be sure of a place in the 1948 camp - which promises to be better than ever!

You can realize what a big job it is to get all the campers "on the line". There were more than eighteen hundred campers and leaders in all the 1947 camps....most of whom came in the Older Boys and Older Girls camps, which were held after you went home. By the way, if you would like to share Miniwanca with a brother or a sister, or a cousin, or a neighbor or some friend at school - just send us his (or her) full name and address, parents initials, and birthdate. Thanks a lot.

And you fellows who are receiving this copy of the TRAIL, and who for some reason could not make the 1947 camp, and want to return in 1948....remember there is a place waiting for you as an old camper, and we hope you'll shoot your registration card in real soon.

? ? ? ? I WONDER WHAT ALL THE LEADERS ARE DOING ? ? ? ?

Can't you just see Joe Whitwam giving the fellows a work-out in gym, and then coaching another red hot football team after school? "Dad" Waite keeps busy with his church and community programs in and around St. Louis. "Kodaya" is busy this semester assisting in the work of the State Teachers Colleges in Pennsylvania, and you know he'll be back next summer to talk with us and teach us some new songs.

Dr. Davis and Dr. Ludwig are busy in St. Louis and Port Huron respectively, helping keep people healthy. Nurses Jeanne Heuser and Martha Russell are back at their teaching and studying jobs. And can't you just see Carolyn Keener answering millions of questions and trying so hard to work in her church office - just like she tried to do in her camp office these past three summers. Ruth Steiner and all the swell guys and gals that helped dish out the good food at camp, are back at their teaching and studying too....and we hope many of them will return in 1948.

AND AS FOR YOUR TENT LEADER - why don't you write him today and find out how he is behaving himself. I know he'll answer your letter and it only takes ten minutes to scribble a note or a card. Which reminds me....EVERY FELLOW IN THE 1947 YB CAMP IS HEREBY INVITED TO WRITE FIFTY WORDS FOR THE NEXT EDITION OF THE TRAIL. Jot it down on a post-card if you want to, but simply tell us what you are doing around the house, at school, in church, at the "Y" or in the Scouts. Boy oh boy - that will be some issue if every guy responds! We're counting on your help men. And now for some good news.

WE'RE BUILDING EIGHT NEW SAILBOATS BY NEXT SUMMER!

Yes sir! the lumber is in the Workshop and the carpenters will build them this winter, when there's snow on the ground and they can't work outside because of the cold weather. Let me tell you a bit about them. This is a re-designed, streamlined model of our Lark sail boat. It has a lot of new refinements, including a

splashboard, taller masts, greater sail spread and more speed. Four of the old boats are still in good condition so, if all goes well we will have a fleet of a dozen sail boats for next summer. What-do-you-know - sounds good doesn't it?

"OUTPOST CAMP"

After camp closed we had a surveyor lay out the south boundary of our new property. A line has been cut through from the road, which goes down to the south from our docks, to the shore of Lake Michigan. Next summer we will stretch a wire along the line so that we will all know where our property line is. Up on the tall dune (which the "Darers" want us to name "Darer Dune") we plan to develop an overnight, or perhaps a two or three day "Outpost Camp". We will build a fireplace for cooking, put up a few tables for preparing and eating our food and otherwise develop this scenic dune into one of the most attractive spots in the camp. Enough pup tents will be secured to enable a whole tribe to camp out there for a few days, if the fellows and leaders want to. We can be real Injuns up there, and everyone is sure to have a swell time. We may want some of you to help work out this project.

AFTER YOU BOYS LEFT CAMP

the two big senior leadership training camps came in, with just about the biggest enrolment in our camping history. There were 527 girls and 85 leaders in OG and 394 boys and 60 leaders in OB. Forty-four states and more than 300 colleges and universities, and a large number of high schools were represented. There were 33 groups of older girls housed in the YB unit. They all think the Younger Boys have the pick of the camp property with their wonderful location overlooking Stony Lake. I think every YB'er will agree with them. I like to look forward to the day when many of you Younger Boy Campers will be in our Senior Leadership Training Camps. Believe me, that's something to look forward to.

NEW TOILET HOUSE

We are planning to build a new, centrally located toilet house in YB. It will be well planned, with automatic flush toilets, (no more toilet tanks to get out of order) ample lavatory facilities and plenty of sky lights in the roof to let in the sunshine. The war and inability to get materials has delayed the construction of this building. We're hoping hard that our good friend Rudolph Burmeister can get materials and workmen enough to get the job done for us before we return for the big 1948 camp. And there will also be

NEW TABLES ON THE CRAFTHOUSE PORCH

The new porch on the Crafthouse was a big improvement and enabled many more boys to get in on the craft program. Next summer we will have some stout tables on the porch, so that there will be plenty of space to do good work on the craft projects. Charlie Pauck says he is looking forward to seeing you all again next summer. And last but very important news....

YOUNGER BOYS CAMP TO HAVE THEIR OWN HEALTH CENTER!

A YB Health Center (hospital to other people) is being planned - the building to be erected just as soon as Rudolph Burmeister can build it into his busy schedule. We are hoping this will be before next summer. We'll do our best. It will be good to have a Health Center, with dispensary and several beds right there in YB. When this time comes, we will probably have to have a full time nurse for YB - well, that will be good too won't it?

My space has run out - have a good year in school, and keep on living in PSMR BALANCE. Better not delay in signing up for next summer. Founderly,

Wadjeki
